Standing on one leg • balance so neat

Pink from the shrimp • and the food that I eat

Long neck long wings • feathers so bright

We party in the water • from morning to night

Flamingo flamingo • pink pink pink

Stand on one leg • sing sing sing

Flamingo flamingo • flap and sway

Dance in the sunlight • all through the day

Living in flocks • come join the crew

Were pink as bubblegum • shining for you

Our beaks are curved • to filter our food

Marching together • were in the groove

Flamingo flamingo • pink pink pink

Stand on one leg • sing sing sing

Flamingo flamingo • flap and sway

Dance in the sunlight • all through the day

Pink like cotton candy • pink like my friends

Pink like a party • where the music never ends

Standing tall and proud • wings open wide

Flamingo fun • come join the ride

Flamingo flamingo • pink pink pink

Stand on one leg • sing sing sing

Flamingo flamingo • flap and sway

Dance in the sunlight • all through the day

Flamingo Facts

Pink • Proud • Fabulous!

1.

Flamingos get their pink color from the food they eat!

2.

They love to stand on one leg to rest and keep their balance.

3.

Flamingos live in warm places near lakes, lagoons, and beaches.

4.

They eat with their beaks upside down to scoop up yummy food from the water!

5.

Flamingos are very social and love being part of big flocks.

6.

Baby flamingos are gray or white when they hatch!

7.

They can fly! Flamingos have big wings that help them soar in the sky.

8.

Flamingos communicate using sounds, like honks and grunts!

9.

They filter food from the water to eat tiny plants and animals.

10.

Flamingos can live for more than 20 years in the wild!
